

| Last Name | First Name | Affiliation |
|------------|------------|---|
| Abdulla | Amir | World Food Programme |
| Aggarwal | Pramod | CGIAR Research Program on Climate Change, Agriculture and Food Security (CCAFS) |
| Allen | Teddy | The International Research Institute for Climate and Society (IRI), Columbia University |
| Allen | John | The International Research Institute for Climate and Society (IRI), Columbia University |
| Ambani | Maurine | CARE |
| Ambrizzi | Tercio | Department of Atmospheric Sciences, University of São Paulo |
| Angelsen | Arild | North American Aerospace Defense Command (NORAD) |
| Anyamba | Assaf | Goddard Space Flight Center, National Aeronautics and Space Administration (NASA) |
| Artan | Guleid | IGAD Climate Prediction & Applications Centre (ICPAC) |
| Aukema | Juliann | U.S. Agency for International Development (USAID) |
| Bachofen | Carina | Red Cross Red Crescent Climate Centre |
| Baethgen | Walter | The International Research Institute for Climate and Society (IRI), Columbia University |
| Barnston | Tony | The International Research Institute for Climate and Society (IRI), Columbia University |
| Bazo | Juan | Red Cross Red Crescent Climate Centre |
| Becker | Emily | INNOVIM/Climate Prediction Center, National Oceanic and Atmospheric Administration (NOAA) |
| Boer | Rizaldi | Centre for Climate Risk and Opportunity Management in Southeast Asia and Pacific (CCROM-SEAP) |
| Boulahya | Mohammed | Center for Climate Development in Africa (ClimDev-Africa) |
| Brookshaw | Anca | United Kingdom Met Office - Hadley Centre (UKMO) |
| Buizer | Jim | University of Arizona |
| Camargo | Suzana | Lamont-Doherty Earth Observatory, Columbia University |
| Cane | Mark | Lamont Doherty Earth Observatory, Columbia University |
| Capa | Mirian | Universidad Politécnica de Madrid |
| Carr | Ed | Clark University |
| Casey | Michael | FoxNews, Vice freelance reporter |
| Cashin | Paul | Asia-Pacific Department, International Monetary Funds (IMF) |
| Chen | Bob | Center for International Earth Science Information Network (CIESIN), Columbia University |
| Choularton | Richard | World Food Program (WFP) |
| Cohen | Steve | The Earth Institute, Columbia University |
| Cole | Julia | University of Arizona |
| Cooney | Rebecca | The Lancet |
| Corcoran | David | NYTimes Science Times (formerly), freelance author/journalist |
| Cullen | Heidi | Climate Central |
| deMenocal | Peter | Climate & Life Center, Columbia University |
| Dilley | Maxx | World Meteorological Organization (WMO) |
| Dinh | Dannie | The International Research Institute for Climate and Society (IRI), Columbia University |
| Dinku | Tufa | The International Research Institute for Climate and Society (IRI), Columbia University |
| Eaton | Sam | PRI/BBC The World |
| Farrell | David | Caribbean Institute for Meteorology & Hydrology (CIMH) |
| Fernandes | Katia | The International Research Institute for Climate and Society (IRI), Columbia University |
| Fiondella | Francesco | The International Research Institute for Climate and Society (IRI), Columbia University |
| Flam | Faye | Science reporter (freelance) |
| Freitag | Heather | Office of U.S. Foreign Disaster Assistance, USAID |
| Gadgil | Sulochana | India Institute of Science (IISc) |
| Gawthrop | Elisabeth | The International Research Institute for Climate and Society (IRI), Columbia University |
| Glantz | Mickey | Consortium for Capacity Building, University of Colorado |
| Goddard | Lisa | The International Research Institute for Climate and Society (IRI), Columbia University |
| Gonzalez | Paula | The International Research Institute for Climate and Society (IRI), Columbia University |

| | | |
|----------------|------------------|--|
| Guilford | Gwynn | Quartz |
| Guilyardi | Eric | Institut Pierre Simon Laplace (IPSL), France |
| Gunturi | Prasad | Willis Re |
| Hall | J. Michael | formerly Office of Global Programs, National Oceanic and Atmospheric Administration (NOAA) |
| Halpern | David | Jet Propulsion Laboratory, National Aeronautics and Space Administration (NASA) |
| Halpert | Mike | Climate Prediction Center, National Oceanic and Atmospheric Administration (NOAA) |
| Harvey | Alex | UK Department for International Development (DFID) |
| Herring | David | Climate Program Office, National Oceanic and Atmospheric Administration (NOAA) |
| Huang | Bohua | Center for Ocean-Land-Atmosphere Studies (COLA) |
| Ineson | Sarah | United Kingdom Met Office - Hadley Centre (UKMO) |
| Jarvis | Andy | The International Centre for Tropical Agriculture (CIAT), CGIAR Research Program for Climate Change, Agriculture and Food Security (CCAFS) |
| Johnson | Miranda | The Economist |
| Juanillo | Edna | Phillippines Climatology and Agrometeorology Division |
| Kahn | Brian | Climate Central |
| Kinter | James | Center for Ocean-Land-Atmosphere Studies (COLA) |
| Korecha | Diriba | National Meteorological Agency Ethiopia |
| Kumari | Kanta | World Bank |
| L'Heureux | Michelle | Climate Prediction Center, National Oceanic and Atmospheric Administration (NOAA) |
| Lall | Upmanu | Columbia Water Center (CWC), Columbia University |
| Landman | Willem | University of Pretoria; formerly Council of Scientific & Industrial Research (CSIR) |
| Levy | Marc | Center for International Earth Science Information Network (CIESIN), Columbia University |
| Linkin | Megan | SwissRe |
| Lucero | Anthony Joseph R | Philippine Atmospheric, Geophysical and Astronomical Services Administration (PAGASA) |
| Luganda | Patrick | Network of Climate Journalists in the Greater Horn of Africa (NECJOGHA) |
| Malo | Sebastein | Thomson Reuters |
| Martinez | Rodney | Centro Internacional para la Investigación del Fenómeno de El Niño (CIIFEN) |
| Mason | Simon | The International Research Institute for Climate and Society (IRI), Columbia University |
| McCulloch | Stewart | World Vision International |
| McPhaden | Michael | Pacific Marine Environmental Laboratory (PMEL), National Oceanic and Atmospheric Administration (NOAA) |
| Mestanza | Jason | Peru Mission to the United Nations |
| Mitchell | Hailey | RMS |
