INTERNATIONAL STUDENTS AND SCHOLARS OFFICE

Note: If you are applying for a change of status to H-1B or O-1, you should not travel outside the United States after the application is submitted to the United States Citizenship and Immigration Service (USCIS) until a decision has been granted. If you are only applying for an extension of your current status, you must be in the U.S. when the application is submitted to the DHS. If you plan to travel outside the U.S., you must notify the ISSO or your department so that an ISSO advisor can determine when the application for H-1 or O-1 can be submitted without jeopardizing your immigration status.
